TROW BRIDGE ANGUS

60 YEARS

T-BULL SALE

MAY 6, 12 NOON
Finger Lakes Livestock Exchange
CANANDAIGUA, NY

INCLUDED THIS YEAR

2017 NYBPA ELITE FEMALE SALE 11 AM
prior to the beginning of the Trowbridge bull offering
Welcome to our Annual Trowbridge Bull Sale - celebrating 60 years in the beef business!

As all of our past customers are aware, we are 100% committed to producing the kind of beef bulls that will fit our customer’s needs. With this said, we concentrate on supplying calving ease genetics along with genetics that will excel for added pounds and performance while maintaining a balanced set of carcass traits. You will note that we go the extra effort to supply genomic enhanced EPDs on our bulls and supply all performance information available so that you can make your best bull buying decisions. We concentrate on always maintaining a strong herd sire battery of bulls that we believe have an impact in the business. You will find several sons of these prominent AI sires represented throughout the entire bull sale offering.

It is a pleasure to be working once again with the New York Beef Producers Association on their 2017 Elite Female Sale which will take place prior to the bulls selling. You can buy with confidence that you are buying a set of females from programs throughout the region that are raising cattle that will fit the needs of many cattlemen, both purebred and commercial.

We are always available to assist you so please don’t hesitate to give PJ or myself a call. We look forward to seeing you the first Saturday in May in Canandaigua, NY for the T-BULL sale.

Phil
TROWBRIDGE ANGUS

T-BULL SALE

MAY 6, 12 NOON
Finger Lakes Livestock Exchange
CANANDAIGUA, NY

www.rancelong.com

UNCONDITIONAL GUARANTEE: If the bulls you purchased fail to meet your expectations for any reason, we will replace the animal or provide a full credit towards a future purchase. This guarantee expires after the first breeding season.

SUPPLEMENTAL INFORMATION: A supplemental sheet will be available sale day with complete and up-to-date information. Announcements from the auction block take precedence over sale book information.

FOOD AND REFRESHMENTS: Will be available sale day.

HERD HEALTH: All bulls have been vaccinated three times from weaning to yearling with IBR, BVD, PI, BRSV, Pasteurella and Haemophilus. They were also poured each time with Ivomec. All bulls have been semen tested and tested free for BVD.

BULL DEVELOPMENT: The bulls are grown from weaning to yearling with a Projected Average Daily Gain of 2.8 to 3.0 lbs./day on a ration consisting mainly of silage, corn, oats and soybean meal along with access to free choice hay.

TRUCKING: Truckers believed to be reliable will be available to assist you in shipping your purchases. Delivery available in New York for actual travel fuel cost only.

LIVESTOCK MORTALITY INSURANCE: A representative from Great American Insurance Company will be available to assist you with mortality insurance for your purchases.

Can’t make the sale? Bid from home with DV Auction’s “real-time” internet bidding service!

Buying online is as easy as 1, 2, 3 ...
1. Create an account at www.dvauction.com under the “register” tab
2. Apply for bidding approval by clicking on the “details” tab at least 24 hours prior to the auction—a DV representative will notify you once you have been approved
3. Tune in for the sale and make your purchases!

After the sale, contact the sale manager or owner to arrange transportation and payment. High speed internet is required for successful bidding—be sure to check the lag-time monitor in the top left corner to ensure real-time broadcasts.

Proxy Bidding: If you can’t make time to watch the sale, register a proxy bid and let our system represent your bid while you’re away. Look for the “proxy bid” tab on the auction listing, and fill in your maximum bids. We’ll handle the rest!

Having trouble? During the auction, you can type a message to the operator at any time for assistance. Our full-time support team can also always be reached at (402) 474-5557.

★ A son sells as Lot 57.
Welcome to the Annual Trowbridge Family Performance-Tested Bull Sale, an event that is always packed with bulls that are engineered for performance traits without sacrificing strong maternal values. This year's sale offering will be one of the most impressive sets of bulls ever offered in the history of the Trowbridge program. You will find a large number of bulls that excel for calving ease traits along with an outstanding set of high performance growth bulls and each and every one of these bulls is backed by exceptional cow power.

It is always a pleasure to work with Phil and his family on this annual event. Each year purebred breeders from throughout the country select bulls from this sale to add to their program and the region's top commercial cattlemen have come to rely on the bulls carrying the Trowbridge prefix to add value to next year's calf crop. When you invest in a Trowbridge bull you are investing in the relationship with a family that makes their living raising beef cattle. The Trowbridge family will always be there for you throughout the year as they realize how important your success is to their success. If you have been a Trowbridge customer, there is no doubt you have seen the value of using these bulls. If you have never had the opportunity to invest in Trowbridge genetics, I invite you to be with us the first Saturday in May for this offering of superb high performance bulls. Again this year we will also be selling an elite set of females from the New York Beef Producers Association. You will have the opportunity to invest in yearling open heifers ready to breed, spring bred cows, or heavy bred females – this will be an event you will not want to miss. We look forward to seeing you there. If I can assist you in any way please don't hesitate to give me a call.

Sincerely,
Rance Long
Lot 70-116 represent a set of females that will sell prior to the bull sale from reputation programs throughout the region. This offering of females is sponsored by the New York Beef Producers Association and there will be females to fit any program selling open heifers to cow-calf pairs.

For more information contact Andy Hoelscher (716) 597-8295 or Chris Dermody (585) 245-4843.

DONATION LOTS

100% of the proceeds of Lots 70 and 71 will be donated.

Celebrate May Beef Month with the New York Beef Industry Council by donating to the Farm to Food Bank Initiative

Your Donation Will Help The NYBC Farm to Food Bank Program Support New York State Food Banks

Did you know? New York State has six official regional food banks! These are the major distribution hubs that funnel and distribute goods throughout the state to pantries, soup kitchens and other groups addressing food justice and security issues. Food banks are often times mistaken for food pantries. But unlike pantries, food banks do not distribute food directly to the public. A food bank is a warehouse and distribution center where food is solicited, received, inventoried, and then distributed to local pantries and soup kitchens. Food banks rely on food donations from food manufacturers, grocers, wholesalers, local farmers, businesses, and individuals to supplement their inventory.

Who benefits: The NYBC has launched a Farm to Food Bank to encourage beef and dairy producers to donate to their regional banks. The food banks included, which assist all 62 counties in the state, are The Food Bank of Western New York, (Buffalo) Regional Food Bank of Northeastern New York (Latham), Food bank of Central New York (Syracuse) Foodlink (Rochester), Foodbank of the Southern Tier (Elmira), and City Harvest (New York City).
